Post Office Box 535
Millis, Massachusetts 02054

Dear Ms. Sitta:

What a magnanimous thing for you and the Millis Garden Club of Massachusetts to have done!

Your gift of two hundred fifty dollars (\$250.00) to the New Orleans Botanical Garden is truly heaven-sent at this critical time when we are striving so hard toward recovery from the ravages of Katrina. These funds will be applied, as you requested, to our Recovery Fund.

As you read in our brochure, we are erecting a permanent plaque in the Garden to recognize such wonderful supporters as you who have contributed so much during our recovery period. Your name will appear as follows: Millis Garden Club of Massachusetts.

We do hope that you will plan a trip one day to New Orleans to see our Garden so that we can meet and thank you in person for your help. Your club is one for which you and your members should indeed be proud.

With much gratitude and good wishes to you,

Sincerely,

A handwritten signature in cursive script that reads "Genevieve Trimble".
